# BLUES NEWS

Round 14 - Imperials vs Tailem Bend - 22nd July 2017

It's been a few weeks since our last match, but that hasn't meant we haven't been busy. The SA State Country Championships were held 2 weekends ago at Johnstone Park, with the club's membership base going to work to do an extremely good job of representing not only ourselves, but the whole league. A big thankyou to anyone who contributed over the two days, along with those who helped set up and source supplies for the weekend. It was truly a club effort and the positive feedback we have received has been overwhelming.

Today we welcome the Tailem Bend football and netball clubs in a battle for the Leahy Knee-bone Cup, in what is always a great but emotional day. We have been fortunate to hold this cup several times and would love to be able to leave it at home once again.

The football itself should see a great game, with both teams

very capable on their day. We certainly owe them one from the first round match out at Tailem Bend. With just the one game in 4 weeks all our boys should be fresh, and not willing to give in until the very end. The other game to keep an eye on is the Under 15 match, with both clubs fighting for a spot in the final 5, it should be a ripper.

Keep an eye out for some upcoming events, on facebook and on the posters around the club as we get down to the serious end of the season.

There is a reunion day coming up after the Ramblers game in August which will see a lot of past greats return to the club. Tonight is a Christmas in July party, with everyone asked to wear their best (or worst) Christmas sweater, the netballers are doing tea so stick around for what will be some great fun.

As always Go You Blues!

# NETBALLNEWS

Today we welcome the Tailem Bend Netball and Football club to our home grounds for this special day.

The Leahy Kneebone Cup is an extremely important day on the River Murray calendar, it is a day where we can all come together to pay respects to both families and be reminded that getting behind the wheel at any time is not to be taken lightly.

There is merchandise available to purchase at both the netball and football canteens today.

You can purchase ribbons or pins for \$5 each with proceeds being donated to Beyond Blue – an organisation that was mutually agreed on by both the Leahy and Kneebone families so make sure you get on board!

I'm sure everyone will be ready and rearing to get into their games today after having two weeks off. It is a bit of an unsettled time of the year for the club, playing only one game in four weeks but I'm sure everyone will make the most of their games today before another week off next week.

All teams should be refreshed and ready to

put everything into their games. As a club, we are sitting very well with most teams comfortably in the top four.

We are getting down to the business end of the year where everyone will be starting to look towards finals and plan how they can stay in their top four position or work their way into a top four position.

Either way, today is a great opportunity for both clubs to come together and play with respect and show mateship out on court.

At the end of the day, netball is just a sport, it provides the opportunity to get out on court and have fun with your friends and make new friends.

Congratulations to 15 and Under Division Two player Tayla Dunning who plays her 100th game today. If you're out and about today make sure you head over and give her a cheer it is a wonderful achievement and you should be very proud, well done Tayla.

Let's go out and have a great day today.

Go you Blues!!
