The best thing about football after a week that our Senior side has had, is that you get a chance of redemption within seven days. That comes for us in a crunch weekend of football against a Mypolonga side in the Ones desperate to stay alive for a final's birth.

Unfortunately our A grade side didn't have nearly enough winners on the weekend and were taught a football lesson by a red hot Ramblers outfit. Gaz Williams battled hard throughout the day and was one of our only midfielders who could hold their head high. Brayden Dalitz continued his stunning year down back with another solid performance also. A win this week guarantees our spot in the five and gives us a chance to complete for the flag. A loss puts us right back in the mill and needing a win next week to guarantee our spot.

The reserves started in a blaze of glory with the first three goals of the game. After that it was a bit downhill and once again there was not enough winners across the ground. Kurt Beckmann and Craig Pearson pushed their claims for A Grade positions with standout performances and without them the margin could have been greater. As said earlier a week is a long time in football and the boys get a chance to respond today.

Our 50th Anniversary Gala night is being held on Saturday the 20th of August. It's going to be a big night for our club before we launch our assault on the finals. If you would like to attend, contact the club via the website, Facebook or in person today to book a table. A great night will be had by all.

Go You Blues!!

ASH TEMBY

Congratulations on the outstanding accomplishment of achieving 250 A grade games for the Imperial Football Club. Ash's dedication is unquestionable and his brutal gut running make him unstoppable at his best. Ash will always put the interest of the team as his main priority. He has also been a

"His longevity in the game speaks volumes for a man who gets the job done."

model player for our young players to aspire to. He works hard on the track and every time he

pulls on the Double Blue jumper he leaves nothing out on the oval. A fine achievement and a most worthy holder of a prestigious accolade. Good luck today!!

NETBALL NEWS

Our last home game for the season. Where did that time go! There has definitely been some great netball played and all of our teams have improved as the season has gone on.

Today we take on Mypolonga and in several grades it will be tough for the Imperials girls. With a good training this week and the teams determined to turn around from last week I think we will be able to get a couple more wins on the board. C grade game will be a good one to watch with Imps needing to get the win from Mypo to keep their second spot so keep the pm time slot open.

I wanted to take this opportunity to say a big thank you to all our umpires, players, coaches, committee, supporters and volunteers for the hard work that you have put in week after week to make sure we get all teams onto the court and the spectators fed! It is great to have a club so supported. After the effort from all put into fundraising it is with great pleasure to announce the grand opening of our new clubrooms! Work has been finished and results are great. Our current long serving committee member and valued life member Lorraine Graetz will be opening the clubrooms at 12.45pm (after the completion of the junior games). Make sure you come over to have a look through, the showers are fully functioning so bring a towel and feel free to use them after your game!

Please be aware that senior games will all start approximately 10 minutes later to allow players and spectators to be present for the opening.

After the last game head over to the clubrooms for presentations at 6pm and stick around for our last home tea with the C grade netballers!!

Go blue girls!!
