BYE

After a weeks rest, we return home to a place where our club has grown in tradition and pride over the past 50 years, that being Johnstone Park to take on Tailem Bend. 50 years ago many brave individuals made the courageous decision to find our own home, and what a decision it was. Today we celebrate their foresight as well as thanking our past players, sponsors and life members.

We travelled out to Meningie last week needing a win against an in form Meningie outfit. The boys put together their first four quarter effort of the year to get the job done. James Clarke was outstanding at Centre Half Back and was ably supported by two other members of the leadership team in Louis DeMichele and Luke Harrowfield. Jacob Rance has now strung three great games in a row together and is turning into an elite senior wingman.

The reserves also turned out their best performance of the year in overcoming a Meningie team in blustery conditions. Was great to see Ash Temby and Anthony Gregurke get on the end of some good work from up the field. The Under 17s and 15s also got the job done comfortably which gave the club our first clean sweep for the year.

Looking forward to a great day today! Hang around tonight to enjoy a special commemorative evening celebrating our first 50 years at Johnstone Park.

Go you Blues!!

Sale of the year!

A young imperials footballer desperately wanted to sell his television set on a lazy Sunday evening. Unfortunately for him he posted the wrong number online, which led to another slightly older Imperials footballer receiving a multitude of calls for this bargain. Accident? Let the readers decide...

NETBALL NEWS

With the bye last week I don't think you would have heard anyone at Imps complain about having a rest and some catch up time with friends and family.

Today we take on the Tailem Bend Eagles at home. Imperials A grade has been travelling well and I think with their experience and skill they will be too strong for Tailem's A grade. Tailem have always been strong in the lower senior grades with players dominating in the best and fairest votes over the last few years. It usually is a great tussle in the B and C grade and it will be interesting to see if this season is no different.

Today's game celebrates 50 years at Johnstone park and as you can see walking around this ground it has come a long way since we first moved over. It is great to see how far this successful family orientated club has come. Tonight there will be celebrations at the clubrooms including dinner cooked by the A grade netballers at 6:30pm. Come over to the clubrooms and join the festivities with the past and present players, reminisce about the good old days!!

Go blue girls!

Please lend a hand if you can we need a few helpers in the canteen and BBQ shed today and next week.
