BLUES NEWS

What a great day for the Club last Saturday to come away with wins in all grades.

The under 13's got us off to a fantastic start with a great game of team football. These young blokes have got very good skills, play with discipline and share the ball willingly. Our future is secure with players like this coming through the grades.

The Junior Colts had a week off but return today for what is always a hard fought game against Ramblers.

The Senior Colts dominated against Meningie but will need to be at their best against a side that has already shown they will be contenders.

The Reserves know that they will have a tough encounter, simply because it always is.

In the League game we take on a side that haven't lost a game yet this year and come in fresh after having the bye last week. It should be a great game of footy.

We do battle this afternoon for the time honoured Cawte-Norrish Cup which we won back last year. A

great opportunity to inflict the first defeat on Ramblers and retain the cup.

Today we also celebrate 'Ladies Day'. A recent innovation where we acknowledge all the vital work done by the Ladies of our club. Without their contribution the Club would not function. Have a great day, Ladies !

To continue the 'Ladies ' theme at 6.45pm our open Swans team take on Mt. Barker in what will be a great clash. There is a bit of rivalry already between these teams with a number of Murray Bridge girls playing for Mt Barker. A game not to be missed!

We have our Players Auction following the women's game. 15 teams of Footballers and Netballers will be auctioned off with a cash prize at the end of the year for the owner(s) of the best performed team.

The night will finish with a 'Reverse Disco' run by the Senior players . To be part of that you just buy a few songs and if yours is the last song played on the night - YOU WIN! Have a great day today and GO THE BLUES AND THE SWANS!!!

CAWTE-NORRISH CUP

The Cawte / Norrish Cup commenced on August 3rd, 1996. Syd Cawte (left) began playing football for Imperials as a young teenager when the club was formed in 1931. Colin Norrish (right) began playing for Ramblers in the mid 1930s. Both recalled playing on the old showground oval in Murray Bridge where Montgomery Avenue is today.

Col Norrish was Runner-Up for the 1940 Mail Medal with the playing career of both men interrupted during the Second World War. Col resumed playing again in 1946 but Syd retired, becoming a club official. He succeeded Ned Dutton as Imperial President in 1952 and continued this role for 10 years. When his father Fred, a long standing Patron of Imperials died, Syd became Patron – a position he held until he left Murray Bridge in 1984.

The Imperial/Rambler Cup idea was first conceived when two past Imperial players Jamie Rossiter and Damien Newell were problem solving late one night. Both clubs agreed to name it honor of a long serving member of their respective club. The choices of the Cawte and Norrish names were very appropriate with both clubs.

Netball News

Today we welcome our Murray Bridge rivals Ramblers to our home grounds for what is expected to be a fantastic day of netball.

For only our second home game of the year we look forward to hosting the Roosters and all having a wonderful day.

One of the most anticipated contests at the courts today is in the A Grade where neither side has lost a game so far this season, this will be the last match of the day so head over to the courts at 3.15pm to see a great battle.

Congratulations to our A Grade and B Grade who have both found themselves on top of the ladder in

their respective grades while many other sides are currently sitting in the top four, well done girls.

We have plenty of things happening at the club in the next few weeks, kicking things off today with ladies day, the player auction and reverse disco so make sure you head over to the clubrooms after the games to get in and buy a team which could earn you big rewards.

The B Reserves are also putting on a delicious meal so stick around for their burgers.

Let's go you Blues!!!
