It's always important to escape the Vois at Jervois with the 2 points which the A grade were able to do, with the B Grade just falling short. Today we return home on a fine sunny day (at the time of this being written) to tackle a Mannum team that are licking their wounds after a trip to the lake, and a Reserves team that touched us up in Round 1.

The A grade worked hard to complete a four quarter effort in blustery conditions last week. Mitch Lienert continued his early run of great games with an outstanding effort throughout the midfield. Luke Harrowfield played most positions on the ground in his best on ground performance, while Jacob Rance returned to some great form finding plenty of space on the wing. With a couple missing this week the boys are going to have to play out of their skins to get a result.

The Reserves had an up and down effort, which ultimately cost them the result against a well rounded Jervois B Grade team. Sam Mobbs and Rick Berling played some good footy in patches, while Austin Johns looked dangerous all game. The boys will be desperate to return to their winning ways and hold their spot on the premiership table.

The Under 17's with many of their senior plays at Sturt or playing Senior footy got the job done again, as did the 15's. Both Junior grades have had outstanding starts to the year. The Under 17's will be determined to defeat the minor premiers this week and take the top spot on the ladder.

Looking forward to a big day and hopefully to turn the tables on our performance in Round 1.

Go You Blues!!

NETBALL NEWS

One full round completed and we can say that Imperials are pretty excited about where we are sitting in several grades. It is shaping up to be a good season!

Today we take on Mannum at home. The A grade will no doubt be the game to watch. Mannum will have worked hard over the last few weeks preparing to take the win from the undefeated Imperials. Last time they met Imperials were too strong but Mannum have had time to settle and will put their best team forward.

This week I would like to share some great accomplishments from our junior players.

We have 4 talented juniors representing Imperials and the River Murray at the Murray Regional Netball Academy. Congratulations to Madi Fielke U17, Lucy Marsh and Holly Temby U15 and Dani Daish U13. A Congratulations also to Genna Harkness U15 Assistant Coach and Lucy Harkness U13 Assistant Coach. The Academy is a program providing a development pathway for identified coaches, umpires & players from the regions, to assist them to reach their potential. Players are required to attend all sessions which includes a 2 day camp in the Riverland during the April school holidays. From a squad of 20, 10 players will be chosen to play in Adelaide in October against the 9 other Regional Academies. I think we can all agree this is a great achievement by all these players and coaches that get the opportunity to participate and we will be cheering these girls on to make the squad of 10!

A special mention to Madi Fielke who has been selected as a reserve for the State School Girls which will compete in Adelaide in July this year. She will get to attend some of the training sessions and if someone is injured she may get to play in July. It is great to see such a talented netballer be recognised and I am sure Madi is first in line to grab a spot on that court! Congratulations Madi!

It is great to see the brilliant players this club has getting some great opportunities!

Once again the netballers will be cooking teas at the clubrooms tonight with dessert also on the menu. We would like to invite all players, supporters and officials over to the clubrooms to join in the presentations at 6pm.

GO BLUE GIRLS!
