Here we are, that time of year again and we are all more than excited for footy to return to Johnston Park. This year's squad lead again by player/ coach Scotty McMahon consists of a few new faces along with the solid Imperial core that we have all know and love. The boys have had a ripping preseason and are ready to launch into a strong 2021 campaign. Round1 got off to a perfect start for the league side with a promising 75 point win over Mypo. The boys conquered the heat and put together a solid 4 quarter effort we could all enjoy, lead by new club Co-captain Louis DeMichele who dominated all day and was named our best player. Meanwhile reminding everyone why he was last years RMFL leading goalkicker big man Johnny Boras bagged 9 goals to seal the win for the blues in round 1.

The reserves were a bit light on last week with a few Friday night phone calls made to make up the numbers but this did not stop them from having a crack. After a few years away from the club Keelan White returned back home and returned in style for the blues with a fantastic game and was a clear best player for the reserves. The boys put up a great first half effort before the heat and lack of numbers seemed to become the deciding factor in the 66 point loss.

This week we look towards a massive Grand final rematch against Jervois, this will not be one to miss with Scott and the team ready to get back at the Bluds and show that they are the side to beat in 2021.

Goodluck to all Imps teams this season, lets go you blues!!

IMPS BY NUMBERS

- 3 players made their A-grade debut for Imps last week
- 8 seconds for Cooper Anderson to run 100m
- 9 snags for JB last week

Nickname: Reggie, Ranger

Favourite Player of all time: Phil Rance/ Brett Lienert/ Simon Roesler/ Josh Jenkins

Which celebrity would you wanted to be stranded on a deserted island with:

Passion outside of footy: Milligan, Cleese, Everett
Carpentry, anything hands on, hit me up for your handyman needs

Favourite childhood sporting memory: Kicking a bag of 5 on Hayden Schulz vs Taillem in 2003

Netball News

Well, here we are, it's been a long time coming after having a year off but we are back here at home and ready and rearing to go for the netball season. Today we welcome Jervois to our courts for what will be a great day of netball.

Last week gave us a minute to work out what we were doing and how to play netball again and we all did a great job of it!!! It was also the first time some of our Blues girls ever played netball – it has been a highly anticipated moment especially for those that were due to start last year.

A huge congratulations to Ella-Beth Duffield, Grace Davis, Scarlett Dolphin, Leah Leckie, Ivy Venning, Milla Smith, Carlien Bissett, Charlotte Wise and Izzy Costello for playing their first ever game last week and to Lavina Hollitt and Frankie Spry who play their first game today. Congratulations to all, and here's to a great future at the Blues.

A big congratulations to Demi Dunn for hitting the court in the A Grade for the first time – Demi has done the hard work and progressed through the grades from C Grade, she's a great example of what you

can do with hard work. We also welcome Kalarie Doecke to the Blues family who represented us well in the A Grade.

At the regional level we congratulate Georgia DeMichele who has been selected in the Murray

Academy – a great achievement and we are all very proud.

Away from the courts we have seen many of our members celebrate milestones with engagements, weddings and oh so many babies that we welcome into the Blues family with open arms – it looks like we are going to have a strong future for both the netball and football clubs, it's great to see!

A huge thank you to our volunteers who have put their hand up to help this season, we couldn't get out there without you – we are always open to more too so if there's anything you can do to help the club out just yell out!

As always, stick around for dinner and a drink tonight put on by our netballers.

Let's go you Blues!!!!

Canteen Roster

Round 2 - 27th March Vs Jervois
