After another long break from footy at Johnston Park we are back one last time to face the Eagles. In what is the game of the week the Blues have a chance to put the league on notice with a win today putting them right in the premiership mix. This will not be an easy task of course, Taillem Bend have everything to play for as they have finally had a break out year and have put themselves right up the top as one of the hot favourites to win the flag.

For Trev and the reserves boys it is looking like they will play Taillem in the 1st elimination final, meaning this week is a big chance to get the early edge over the eagles and show that they are ready to make a big impact on the finals series.

Goodluck to all sides today, go you Blues!!

# PLAYER INTERVIEW WITH KYLE DALITZ

## Sporting hero?

Steven Bradley, Campbell Ballard

## Changeroom Pest?

Probably Campbell Ballard

## Favourite post Woolshed meal?

Hard to go past a fat zinger box at 4:30am

## Best Memory from your time at Imps?

Probably came from Campbell Ballards BnF season where he was robbed from getting an A-grade Game that year. He was the fire in our belly that year, really set the tone hard. Hard to forget him also making the A-grade handball games look like a walkthrough. Too many Ballard memories to count actually.

## Pre game Banger?

Any other answer than this is wrong btw. Fireball- Pitbull

# Netball News

Today we welcome Tailem Bend to our courts for the first home game in what feels like a very long time after a run of away games as well as a little break thanks to Covid. A huge thank you to all that have worked tirelessly around the clock to dance the Covid battle. A big shoutout to Tania Adler who is the RMNA President on behalf of Imperials she has certainly had her work cut out for her and our whole club really appreciates everything she has been doing.

As we head into finals, a large number of our teams are preparing to compete which is very exciting. To those grades who just miss out, make sure you head out and really enjoy these last couple of games. You have certainly done your club proud.

The umpire development program at Imperials has been very successful this year considering 2020 was a non-event. The 5 green shirts from 2019 picked up where they had left off and have been as enthusiastic as ever. Caitlin Michalik, Mia Perriman, Georgia DeMichele, Millie Daniels, Oliva Eldridge and Abby Harrowfield umpire junior and senior games at training each week which has been fantastic for their progression and confidence. All girls have also umpired official competition games. 4 other

girls Ameira Greenshields, Mattea Willason, Jazmin Carr and Hayley Kimber were keen to become umpires and have become our umpire coordinator Bev Dalwood's cadet green shirts who have informal training most Thursday nights. These girls will join the Coloured Shirt Program in 2022. Bev is very proud of all of these girls they listen and absorb information and then apply the skills learned whenever they umpire. Congratulations girls, the whole club is also proud of you and we are very lucky to have you all.

This week we celebrate some very special milestones. Congratulations to A Reserve players Rachel Edwards and Alyce O'Brien who celebrate 200 games. Both players have been pivotal members of the club and have played a large role in many of our successful premierships. Be sure to head over to cheer them on for their match which starts at 2pm.

Let's go out and have a fantastic day of netball and remember to head over to the club for teas after, it would be great to have as many people stick around for our last home game of the season.

Let's go you Blues!!
